

UNIGLOBE Travel Management Consultants

Offers you an **EXCELLENT** way to Raise Funds with the
BEST VACATION DONATION PROGRAM !!!!!!!

Are you looking for a great way to earn money for your organization ?? Travel is an excellent way to raise funds !! Whether you are a Non-Profit Organization, a Foundation, an Association or a Church / Synagogue. Each company or organization is always looking for ways to earn money. People today are looking to get something of value for their money. Various fundraisers such as live / silent auction(s) are not as popular because, most of the time, items are just that – “items” and usually become just more “stuff” in our lives. However, enjoying a vacation is good for your well-being and provides memories of a lifetime and now the added value of a donation.

UNIGLOBE Travel Management Consultants have over 25 years of experience in helping travelers discover worldwide destinations. We have created the **Vacation Donation Program** as a **WIN – WIN** for **EVERYONE** !! Just imagine the traveler going on vacation and having that wonderful feeling of knowing their vacation supported the cause that is most dear to their heart at no cost at all to them !! UNIGLOBE will donate a percentage of their profit to the fund raising organization.
