Thank you for sharing your love by helping those in need.

In 2017, Tri County Community Action assisted more than 34,000 individuals on their path to self-sufficiency throughout Cumberland, Dauphin, and Perry Counties.

We are dedicated to helping people and changing lives and we are driven by our Vision; that we all live in a world free from poverty, and hand-in-hand, we are moving in that direction.

But until that is a reality for all, let's continue, together, to show our love to our neighbors and communities.
