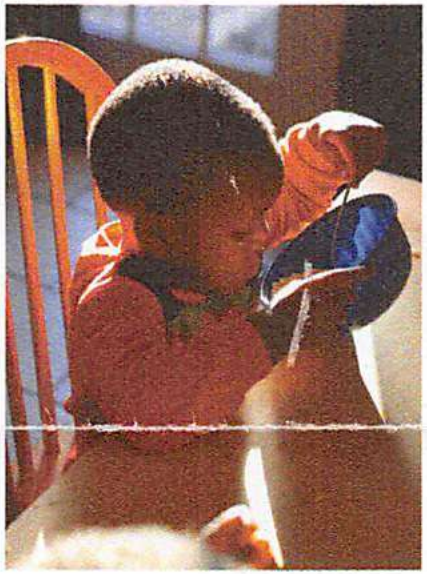
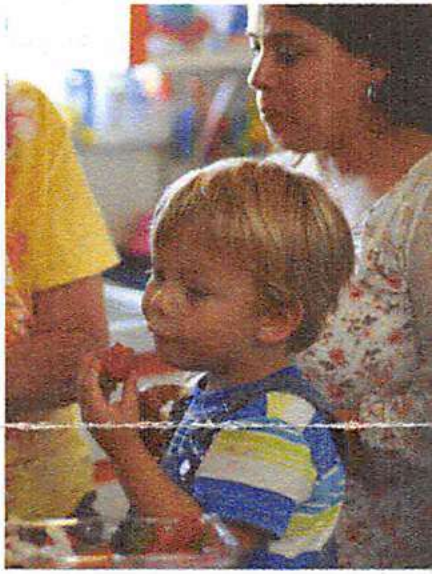
What a year!

2016





Dear Chad,

This year will be one for the record books. So far in the 2016 Fiscal Year:

- We provided food and grocery products equivalent to more than 40 million meals to those facing hunger.
- We distributed nearly 50 million pounds of food to more than 900 soup kitchens, shelters and food pantries in 27 central Pennsylvania counties.
- The number of meals and snacks we provided to children in need through our Youth Programs increased 16%.
- The number of seniors we served increased for the 8th year in a row.

Dear Chad,

This year will be one for the record books. So far in the 2016 Fiscal Year:

- We provided food and grocery products equivalent to more than 40 million meals to those facing hunger.
- We distributed nearly 50 million pounds of food to more than 900 soup kitchens, shelters and food pantries in 27 central Pennsylvania counties.
- The number of meals and snacks we provided to children in need through our Youth Programs increased 16%.
- The number of seniors we served increased for the 8th year in a row.

I have no doubt that in the upcoming year there will be just as many people in our community who are facing hunger and will need help getting food. But I also have the confidence that we can continue to provide the healthy, nutritious food that everyone deserves. But we can only do that with your continuing partnership. **It is your support that enables us to do all that we do. Thank you!**

As we approach the end of the year, we need your help one more time in 2016 to help families in our community who are facing hunger. As a loyal friend of Central Pennsylvania Food Bank, I know fighting hunger in central Pennsylvania is important to you. **Please help us today so we can help supply food where it is needed most.** Remember, for every $10 you give, the Food Bank can provide 60 nutritious meals to those in need. Your gift means so much, especially at this time of year. It means that thousands of our hungry neighbors can look forward to a new year of hope.

While the task of solving hunger is daunting, working together, we know we can ensure that no child, no parent and no senior goes hungry in our community. **Thank you again for your support!**

Dear Chad,

I thought my life was over. My family put me out in the trash. And I was sad. I was sad because I knew that there was so much more life left in me. I kept looking out for someone to save me! And person after person passed by me like I was invisible. Like I was trash.

And then you passed me. You hit the brakes and turned your car around. Before I knew it, you scooped me up because you wanted to make a difference.

You heard that The Common Wheel could use donated bikes for their programming. And when you saw me sitting sadly on the curb, you knew you could find someone who would love me once again.

You changed my life for the better. And because of you, I'm able to make a child's face light up with a smile. You are helping me make children and their parents happier, healthier, and wealthier.

But it's not just about picking out good bikes like me out of the trash. That's only the beginning! With a donation of $200, you can help my friends at The Common Wheel find me a good home. Your donation will support programs like Bikes for All and Earn-a-Bike.

Did it draw you in?

Will you remember them?

How do you get prospective donors to respond?

Dear Mr. Donor -

I hope all is well and that you're enjoying these late spring days!

My name is Chad Barger and I am the Development Director of the ABC Charity.

I am writing to see if I could stop by sometime in the next month or so to provide a **brief** update on ABC Charity. I like to do this with as many of our supporters as possible each year. It's an opportunity for me to share our progress, to answer your questions and to **get some feedback** which is always appreciated.
